

Apna Gaon 3

2003 Sunder Nagar, Uttar Pradesh

Approximately 5000 people (900-1000 homes). The following work has been 100% completed:

- Two welcome gates on both sides of the village
- Name plate on each house (name of the owner and house number)
- Electric street light points
- Tailoring center for girls
- Construction of play grounds
- Tulsi and rose plants pots to each house
- Uniforms to students of Govt. primary/middle school
- Cots and beds to senior citizens
- Construction of lanes and sewers lines of the Village

Sunder Nagar: Street before

- Sanitation both in the houses and streets has improved a great deal. No water stagnation
- White wash, exterior of the houses.
- Plant trees, shrubs, grass and different types of seasonable flowers

MP from that area has allocated Rs. 5 lacs for the development of school

Sunder Nagar: Street after

- Dustbins in the streets to collect garbage
- Upgrading of the village pond (retaining wall and landscaping)

Sunder Nagar: Village pond before

Sunder Nagar: Village pond after

- Govt. school has also been renovated now by the Govt. itself

- Facilities in the previously existing private school have improved a great deal with help from a local philanthropist. There is an auditorium and a mini-stadium. There is also a stitching and sewing school for girls. All children have uniforms. Girls from the surrounding 10 villages come to this school
- Vocational center (sewing, medical and coaching center) and reading room especially for the ladies, students and unemployed folks of the village
- Improved cremation ground near the village
- Upgrading the temple facilities
